

# 44TH ROCHESTER AREA PRAYER BREAKFAST

WITH GUEST SPEAKER

## CAPTAIN BRIAN UDELL

One of the only pilots to survive ejecting from a F-15E fighter aircraft at more than 800 mph. With numerous injuries he survived four hours in freezing water. A Coast Guard rescue, multiple surgeries, and intensive physical therapy ensued. Udell credits a conversation with God for his rescue and ultimate revival.

Dear Greater Rochester Community Member,

It is our committee's privilege to host the Annual Rochester Area Prayer Breakfast. Our mission is to host an annual prayer breakfast in recognition of the National Day of Prayer to bring together the Greater Rochester Community in fellowship, prayer and spiritual inspiration to Honor God and celebrate our community, state and nation. Our hope is when people leave the prayer breakfast they are inspired to remember everyday the importance of our Christian community and the privilege we have to Honor God and celebrate our community!

We are prayerfully writing to you to ask that you consider becoming a sponsor of the breakfast. You will see sponsorship opportunities on the following page.

The 44th annual breakfast will be held on Thursday, April 24th, 2025 at Oakland University O'Rena from 7-9AM. We are excited to welcome guest speaker, Brian Udell . The Supersonic Survivor was ejected from his F-15E Fighter Jet traveling at the speed of sound. In addition to being amazed by his story, I am certain you will be inspired by his commitment to his family, faith, and Country.

The prayer breakfast is a time for us to come together as a community to honor God and our nation and I hope you will join us.

Sincerely,

Vince Mattina  
Chairperson
