

The 44th Annual Rochester Area Prayer Breakfast

featuring Captain Brian Udell

Thursday - April 24, 2025 * 7:00AM- 9:00AM

Oakland University Athletics Center O'Rena

The 2025 featured speaker is Supersonic Survivor -- Captain Brian Udell. Udell is one of the only pilots in history to survive ejecting from an F-15E fighter aircraft at more than 800 mph. With numerous broken bones, dislocated limbs, and open wounds, he miraculously survived four grueling hours, in freezing water, while awaiting rescue. Luckily, his crew was able to pin point the fallen craft. A Coast Guard rescue, multiple surgeries, and intensive physical therapy ensued. By his 32nd birthday, nearly two months after the accident, he took his first step toward recovery.

Candidly, Udell credits a conversation with God for his rescue and ultimate revival. On April 24, 2025, he will share his incredible story of survival in the Atlantic Ocean.
